

RACHEL COOK

Front-End web developer with a passion for user experience, design and tools that enable creativity. Attained numerous skills in design and management, coupled with a strong sense of quality and detail while specializing in web design and development.

Currently looking to contribute and learn more alongside industry professionals.

It's my goal to be as valuable and productive as possible wherever I am.

RELEVANT EXPERIENCE

Accumulated agency experience working with a wide variety of clients. I designed, built, managed and maintained websites and other marketing materials to meet clients' exact needs. In addition to the listed employment history below, I have also worked as a freelance web designer/developer for more than 5 years.

Deardorff Communications

Front-End Web Developer
2012 - Present

Lucki Multimedia

UX/UI Design Intern
2010-2011

EDUCATION

Bachelor of Applied Arts

Central Michigan University, 2007- 2012

Studied creative industry and business fundamentals of mass media communications, where I found my passion for design and web development. Majored in broadcast and cinematic arts with a minor in media, design, production and technology.
