RACHEL COOK

Front-end web developer with a passion for user experience, design and tools that enable creativity.
Attained numerous skills in design and development, coupled with a strong sense of quality
and detail. Currently looking to contribute and learn more alongside industry professionals.
It's my goal to contribute my full stack design skills to innovate and foster a strong creative environment.

RELEVANT EXPERIENCE

Accumulated agency experience working with a wide variety of clients. In addition to the listed employment
history below, I have also worked as a freelance designer & web developer for over 5 years.

Deardorff Communications
Front-end Web Developer
2012 - Present

Designed, built, managed and maintained
client websites. Oversaw the creative team and
managed UX/UI design and development.

Lucki Multimedia
UX/UI Designer (Intern)
2010-2011

Designed websites and other marketing
materials for local business. Consulted on web
marketing & social media strategy.

EDUCATION

Bachelor of Applied Arts
Central Michigan University, 2007- 2012

Studied creative industry and business fundamentals of mass media communications.
Majored in broadcast and cinematic arts with a minor in media, design, production and technology.
